Subject: RE: Pem v. Pencom

Dear Andy:

We will shortly respond more fully to the issues raised in your letter of last Friday evening. We do not, however, believe that there is any need for the parties to delay the exchange of the Preliminary Claim Constructions and Extrinsic Evidence, which are due to be served today under the schedule entered by the Court. Accordingly, PEM intends to serve this document later today.

Regards,

Rebecca A. Beynon
